

FRIENDS OF OLD-TIME RADIO

30th ANNIVERSARY HIGHLIGHT DVD 1976 - 2004

Return to those days of yesteryear. From out of the past comes the thrilling voices of actors and collectors of old time radio. The Friends of Old Time Radio was formed in 1976. During those early years, audio tapes were made of the convention. Later, it was video recorded.

Now you can see and hear highlights from those 30 great years. Many hours were spent playing all these reel to reel tapes and video cassettes to narrow down hundreds of hours of recordings to what is close to 6 hours.

This is a video you will want to own and play for years to come.
